

CALIFORNIA PROPOSITION 65

The Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code Section 25249.5 (also known as "California Proposition 65") requires suppliers of certain products sold directly to retail consumers in the state of California to provide a warning notice regarding potentially hazardous ingredients.

Our pasta products do not contain any chemicals published in the Proposition 65 list that are known to the State of California to cause cancer, birth defects or other reproductive harm.
