

COUNTRY OF ORIGIN STATEMENT

All our pasta products are manufactured in the USA.

Ingredients

Enriched Semolina, Durum Flour, Spring Flour

The wheat used to mill the flour used in our products is sourced from either the United States or Canada.

The FDA enrichment used in our non-organic flour is manufactured in the USA. The raw materials used in the enrichment are sourced from USA, India, Belgium and China.

Egg White, Whole Egg & Egg Yolk Powder

The eggs used in our pasta products are sourced from USDA inspected facilities within the United States. These suppliers use eggs from domestic laying hens.

Respectfully,

Jennifer L. Joseph
