

Philadelphia Macaroni Company has an immediate opening for an experienced **Maintenance Mechanic** to join our Maintenance department in our **Spokane, WA** manufacturing facility! Great opportunity to use your talents and make a difference in taking us to the next level of performance!

Summary

Monitors and maintains smooth plant operation, including production and packaging processes, support systems and facilities. With little or no supervision, disassembles/assembles, repairs, constructs, overhauls, maintains and installs all types of new and existing processing and packaging equipment and conveying, hydraulic and air systems as required. Performs preventive and predictive maintenance tasks. Responds to calls for service to any line in a timely manner. Independently troubleshoots equipment that is in need of repair or that is operating at a substandard level. Makes repairs and adjustments in a timely fashion to ensure as little downtime as possible. Completes required and appropriate paperwork. Performs other tasks as assigned by Management.

Position Requirements
